ABOUT AUSSIE STREET

Aussie St is a permaculture soap opera, made real by masterful story telling that sounds a warning and clarion call for direct action on the home front. The presentation is also a window into the rich palette of design solutions and tips that Holmgren has explored in his latest opus, *Retrosuburbia; the downshifters guide to a resilient future*.

Copies of RetroSuburbia will be available to purchase on the day and can be signed by David at the conclusion of this event.
