[Attend Event](#)

Open to Western Sydney University staff and students

Did you know about some of the Living Lab initiatives on Hawkesbury campus?

- Stormwater Harvesting and Water Recycling
- Wetlands and Sydney Water Nutrient Offset Program
- Cooling Plants for Urban Landscapes
- Developing Biodiversity Stewardship Site
- Hawkesbury Bushfire Unit
- Hawkesbury Precinct Centre for Excellence for Peri-Urban Futures
- Health Promoting Plants (Chinese and Indigenous Herbs)
- Precision Agriculture in Grazing Systems
- Grazing Operations and Show Team
- Agri-Industry Demonstrations

Want to find out more?

- Join us at the 'Resilience Roadshow', Hawkesbury campus
- Thursday 26 September 2019
- 10:15am (for 10:30am start) to 12:00pm
- Building R6 ("Poolside") HW.R6.G.01

Hear more from our local champions about some 'Living Lab' initiatives and their strategic context to Resilience Planning currently being undertaken at Western. The 'Resilience Roadshow' will be coming to a campus near you in the coming months - watch this space!

If you'd like more information please email enviro@westernsydney.edu.au.
