

I'm definitely not someone that sends ad emails but as a valued friend and supporter of Cobram Estate Olives, I would like to invite you to join us on October 28th as we attempt to set the Guinness World Records title for the World's Biggest Virtual Olive Oil Tasting. You may have seen our previous Virtual Tasting Masterclass events advertised, and hopefully even attended one yourself, but this event is proving to be our best one yet. You will have the chance to taste oil from our 2021 harvest (our best harvest yet!) with me, hear more about the story of Cobram Estate from Rob McGavin and learn all about the amazing health benefits of Extra Virgin Olive Oil from dietitian Dr Joanna McMillan.

If you register here cobramestate.com.au/virtual-tasting and use my own **LRAVE** staff promo code, this exciting event is only \$5.

This is a great opportunity to participate in a fun activity together as a team, as a family or as a friendship group, when many of us can't see each other in person right now. Finally an event that can't be cancelled! Please help us and share this with your networks as we have a big target to beat. Since 2009 Spain has held the title for Biggest Olive Oil Tasting with 12,909 participants, but we know that with the great Australian spirit to *go for gold* we can achieve that and so much more!

Join live on the night where we'll be giving away a year's supply of Cobram Estate Extra Virgin Olive Oil to 10 lucky participants as well as 10 special, limited edition bottles of Ultra-Premium Hojiblanca.
